

PROCESS OF AN OVERNIGHT STAY AT THE WHITE LOUNGE

Registration at the Ahornbahn bottom station

Overnight guests will be welcomed at the Ahornbahn bottom station. Plenty of parking is available there. Please register at the cash desks of the Ahornbahn bottom station **by 4:00 p.m.** If you arrive earlier and want to spend the day on Ahorn Mountain to ski, you can, of course, register earlier. Take your luggage with you in the gondola up to the summit station, where you can put it in the WHITE LOUNGE luggage car. At 5:00 p.m., the Igloo Guides will transport your luggage to the White Lounge and your Igloo Suite will be ready for you, to move in.

Ascent

While the last visitors of the day ski down the 5.5-kilometer-long Ahorn run towards the valley, our overnight guests will be taken up to the Ahorn Plateau by the Ahornbahn, covering a distance of 3 km. You'll enjoy a sensational view while being whisked up to almost 2000 meters in Austria's largest cable car!

Important: Last ascent at 4:30 p.m.!

Arrival on the Ahorn Plateau and hike to the White Lounge

Upon arrival at Ahorn Mountain (whether at 4:30 p.m. or earlier), please deposit your luggage on the igloo hotel luggage cart. Afterwards, take a short hike via the Panorama Trail to the igloo hotel (approx. 5–10 minutes). Your Igloo Guide will be waiting for you at the White Lounge reception area.

Meeting with welcome drink & check-in

By 5:00 p.m., all of the day guests will have left the Ahorn Plateau. A hot welcome drink will be waiting for you in the lounge where you will be introduced to our White Lounge team. Get to know each other while breathing fresh Igloo air for the first time. Your Igloo Guide will take you to your suite and provide you with some important tips.

Introduction and White Lounge village tour with your Igloo Guide

During the detailed introduction in the main Igloo, you will learn about the basics concerning alpine risks, the impact that altitude can have on your body and soul, dos and don'ts, and the climate at 2000 m (6560 ft). Your Igloo Guide will tell you about the construction of the Igloos and explain how to properly use the expedition sleeping bags which will be awaiting you in your Igloo suite.

Arrive and relax

Before dinner you will have time to enjoy various opportunities the White Lounge has to offer. Take a tour with your Igloo Guide or spend some romantic hours in your Igloo suite with a bottle of champagne.

Leisurely walk and dinner

Around 6:30 p.m., after a short entertainment program (participation is voluntary) you will walk over to the mountain restaurant, where a delicious meal will be served at around 7:00 p.m. The meal includes an appetizer, fondue and a dessert. You will enjoy the comfortable atmosphere, the amazing view, and the excellent cuisine.

Exciting torch hike and romantic bonfire

After dinner, at around 8:30 p.m., the real magic of a night at the White Lounge begins. Holding a torch, you will walk through the snow-covered mountain scenery to different stations, past the panorama platform, and back to the White Lounge. Warm up at the bonfire and check out the twinkling stars in the clear night sky. This will be the perfect opportunity for you to show off or improve your knowledge of astronomy!

Open end

Have another drink at the snow bar, chat with other guests at the bonfire, or withdraw to your suite for a little bit of romance. It is up to you how you want to spend your evening. No noisy après-ski atmosphere, no annoying entertainers, no stress. After all, we are not on Majorca but in the middle of the Zillertal Alps. Of course, the entire White Lounge crew is available the whole night. They will spend the night on the mountain, as well.

During the night

Of course, you can decide for yourself when to go to bed. An igloo guide will be on stand-by the whole night just in case you need something, don't feel well, or can't sleep. But don't worry – if you paid attention during the introduction, you will definitely not feel cold during the night. On the contrary, you will sleep like a baby!

A new day at the White Lounge

Leisurely breakfast / check-out

In the morning, your igloo guides will wake you up at around 8:00 a.m. You will check-out at the igloo reception area and return your keys. Afterwards, a hearty breakfast will await you in our mountain restaurant. Exchange experiences with other guests, leave a message in our guest book, and enjoy your breakfast. Special service for skiers: During the night you can deposit your skiing equipment in our storage room and then fetch it after breakfast together with your warm (!) ski boots.

Goodbye

At around 9:00 a.m. it'll be time to say goodbye. Winter sport enthusiasts will probably already be on tour by then since it's everybody's dream to be **the first on the slopes!** Having the 5.5-kilometer-long, freshly groomed valley run for yourself is truly incredible! If you want to stay up on the Ahorn Plateau you can sit back in one of the cozy deck chairs at one of the neighboring huts or at the White Lounge. The igloo bar opens at 10:00 a.m. Of course, it's up to you when you take the Ahornbahn cable car back down to the valley.

After your unforgettable night, a new day will arrive, again in the middle of the fascinating mountain scenery of the Zillertal!
