**WELCOME TO MOUNTOPOLIS:
BOREDOM? NO CHANCE!**

Mayrhofner Bergbahnen Cable Car Co. is looking towards the alpine summer 2022 with **mountains** of enthusiasm

Mayrhofen, 2022: Ready? Ready for fun, action and memorable moments? For your very own adventure story? Then what are you waiting for? MOUNTOPOLIS by Mayrhofner Bergbahnen awaits you with fabulous adventures in nature. All snazzy and bright, as Mountopolis in Zillertal is an extraordinary thing. Derived from MOUNTain and metrOPOLIS, it playfully represents the sheer diversity of all that it offers. Progressive, traditional, combined with a vibrant zest for life. For memorable moments brimming with exhilarating tranquillity. Where the relaxing thrill of excitement in the bright adventure world in the heart of the Tyrolean mountains can be experienced. In summer 2022!

And the best part of it all? Mountopolis is the place to be for those who love mountain experiences: **Young "wild ones" and seasoned "pros". Adventurous families and ambitious athletes.** Everyone can write their very own summer fairy tale here. And how does each story begin? With the first (hiking) step of course - which is exactly how Mayrhofner Bergbahnen began their new chapter. A most promising one, because **Mountopolis** may be new, but it is already steeped in legend. It is proud of its deep roots, its remarkable heights and far-sightedness. Attributes that enable it to be welcoming, cosmopolitan and a home-from-home - all rolled into one.

PENKEN & AHORN - TWO MOUNTAINS, ONE MISSION!

It is a duo that certainly packs a punch. Mounts Penken and Ahorn, each superb in their own special way. Spectacular together, simply unbeatable when united under the Mountopolis umbrella. They are what is needed for a perfect **active holiday in summer**. Here, adventure lovers and those seeking the essential pleasures of rest and relaxation are equally well catered for with varied opportunities for active fun in the fresh mountain air, right in the heart of the alpine setting of the Zillertal Valley. The range of leisure activities are thrilling proof for guests and local day-trippers that there is absolutely no room for boredom on the **wide alpine pastures, bike routes and hiking trails** of Mounts Penken and Ahorn. Fun and adventure are the name of the game in Mountopolis!

GET ON FAMILIAR TERMS WITH EAGLES & CO - MOUNT AHORN MAKES IT POSSIBLE!

How to get started? Calculate kilometres covered on **hiking routes and mountain tours?** Although if we're really honest, who wants to hike every single metre? The **Ahornbahn cable car in Zillertal** whisks nature-loving hiking fans and families up to the **Ahorn plateau** and heart of all the action in a mere **6.5 minutes**. Whether embarking on

a challenging summit tour or savouring the view at one of the feel-good spots to relax – it's never an either or in Mountopolis. Because that's what connects people with nature and emotions with adventure. Early morning summit ascent? No problem, you can reach the dizzy heights as early as 7.30 a.m. with the **Hiker's Gondola**. Or are you an even earlier riser? Those interested can take the **SunRise Gondola** every Tuesday at dawn from July to mid-September. More of a night owl than an early bird? As from this summer, the mystical natural spectacle of sunset can be witnessed in all its glory – thanks to the **SunSet Gondola** every Friday evening.

As you can see, free spirits and wild "birds" feel at home all day long on Mount Ahorn. So much so, the **Eagle's Stage Ahorn**, Europe's highest **Birds of Prey Station** at 2,000 metres above sea level, has been in situ for over 10 years now. Eagles, buzzards, owls and the like can be admired here during the daily one-hour Birds of Prey Show at 2.00 p.m. (except Tuesdays). Another programme highlight was created in the form of **FalknerOase** around Filzen reservoir with the prestigious rating of: absolutely worth visiting!

By the way: mountains AND water go hand in hand on Mount Ahorn. The **water oases of Lake AhornSee** and **AhornBachl Stream** are exquisitely refreshing and perfect for playing and making a splash, or simply cooling your feet after a hike. Not only that, a very special **LeisureSquare** is waiting to be discovered at the Ahornbahn cable car mountain station.

What would Mountopolis be without **themed trails**? One could almost say boring, which is why Mount Ahorn is never sparing with its wonderful attractions. The pram-friendly **LeisureTrail** runs across the entire Ahorn plateau and offers fabulous vistas from its four ViewingPlatforms: Eagle's View, Zillertal, Stilluptal and Filzenalm. Those who want to surpass themselves not only mentally but also athletically on Mount Ahorn can do so on the **HikingPath Filzenkogel**. The well-maintained trail takes hikers to the summit at 2,227 metres above sea level, with panoramic views of the mighty Zillertal Alps. Impressive and inspiring at the same time!
